PARENT VERIFIED - SEMEN TESTED  
 FOOTSCORED AND GRASS FED  
ALL BULLS ARE BY AI

BULL	HIS SIRE	SIRE of his DAM	GENETIC SCROLL
U68 Urban	Dead Center	G49 son of Yorkshire	<p>High <u>growth</u> bull by Quaker Hill Dead center out of a big cow, daughter of G49, by Te Mania Yorkshire.</p> <p>Urban U68 was born 5 days ahead. Looked great from the start. No other bull in his mob has been able to overtake his weights.</p> <p>In terms of EBV figures, U68 scores a top of 5% for his 200 DAYS, a top of 4% for both his 400 and 500 DAYS. His carcass stands +91 or top 5%. Eye muscle: +8.1 or top 30%. Net Feed Intake: top 1%.</p> <p>U68's exceptional growth curve 65/117/154 can be explained by the presence of his sire (Dead Center) mixed with one of our top matrons: L100. She landed at 46.5kg. Her dam E93 by Tapa Equator 2928, was 44.5kg at birth. The Dam line is heavy. U68 is a bull for cows.</p>
U70 Uccello	Stellar	Mentor	<p><b>SOLD</b></p> <p><u>Safe allrounder</u> with short gestation and an eagerness to serve promptly, U70 could fit in many programs. He is a son by Sitz Stellar 726D Uccello U70 was born 4 days ahead. A strong and quiet bull calf. U70 is fat positive (top 21% for P8 and top 12% for RIB).</p>
U71 Unique	Patriarch	Leachman Right Time 2700	<p>Heifer bull with excellent calving ease direct (top 23%) and a short gestation. U71 was born 3 days ahead. Jet black, very handsome from DAY 1.</p> <p>Note that USA 2700 is the sire of his dam. This means that Unique U71 also qualifies as a Maternal bull. His daughters will be good looking and sought after.</p> <p>This combined Heifer bull and Maternal bull is fat positive.</p>

GENETIC SCROLL (2025)

U73  
Unchallenged

Patriarch

Leachman  
Right Time  
2700

Many talents here! U73 is a heifer bull, a maternal bull and an allrounder capable of adding carcass and eye muscle into your herd.

Unchallenged U73 is a son by Patriarch (like U71) out of a dam, daughter of USA 2700. Compare these two bulls: U73 and U71 have, both, a Maternal edge. Their daughters will be demanded.

Among his many positive features, U73 offers a good milk figure. He is fat positive (RIB top 28% and P8 top 9%). In the Net Feed Index, he scores at top of 7%.

U74  
Unforgettable

Patriarch

N65  
by Quaker  
Hill Dead  
Center

Curve bender with an extremely low birthweight of +0.7 (or top 4%) reaching a carcass figure of +72 (or top 43%).

Unforgettable U74 is a star heifer bull with exceptional calving ease (top 3% and top 10%). He is a milky, fertile bull with massive carcass. In that regard, he qualifies as an allrounder and as a growth bull. Fat positive. Net Feed Intake top 3%. Structurally: angle 17% while leg scores top 12%.

Young dam (S3) is a strong daughter by N65. N65, by Dead Center, was handsome and powerful. Weighed 1104 kg as mature bull on grass.

U75  
Upright

Patriarch

Vermilion  
Dateline  
7078

Fertile allrounder with the highest eye muscle in his mob (+9.3 or top 20%), U75 is a son by Patriarch out of a daughter by USA 7078.

Upright U75 offers good carcass (+75 or top 32%). He will add muscle and weight to his herd.

U75 has a good figure in Days to calve: -5.9. He will serve promptly.

U76  
Ultimate

Patriarch

N65  
by Quaker  
Hill Dead  
Center

Ultimate U76 is truly "ultimate"! A fertile star heifer bull. Will serve promptly. Offers good eye muscle. Is fat positive.

His dam (S35) is another strong daughter by N65. Given the elegance, power and impeccable structure of N65, we kept most of his daughters. (The structural scorer was amazed at his results: claw top 8%; angle top 1% and leg: top 7%).

As for his son (U76) he scores: claw top 29%, angle top 25% and leg top 15%.

Note also that U76 has good marbling and that his Net feed intake is in the top 13%. EBV point out a docility figure in the top 17%.
